Principal's Message Term 2, Week 8

WOW! What wild weather we have seen the past 36 hours. Students were able to play outside today, but there is still a significant amount of water lying around some areas. A lot of time is going into keeping our younger students out of these areas.

BUS ROUTES

Due to the extreme weather, we unfortunately have two bus routes cancelled until further notice. The Dargo and Flaggy Creek routes are closed and hopefully will be back running at some point next week. The cancellation is due to the damage to the roads and bridge work at Iguana Creek on the Dargo Road. The Fernbank and Hillside routes will continue as normal, as of tomorrow.

MATHS INITIATIVE

Mr Collins and I spent some time with Mathematics leaders on Wednesday. There is a range of new and engaging strategies that teachers will be adding to their maths lessons. It will be exciting to see all of our students engaging in more open-ended tasks that challenge their mathematical thinking and extend their problem solving skills.

STAFFING

As you are all aware Mrs Dyer will be heading off on maternity leave early next term. Adam Linford will be taking over 5/6D from the beginning of term 3. Adam is an experienced teacher who has taught in our local area, remote indigenous communities and Shanghai. We are excited to welcome Adam to Lindenow PS. In more news, Danae Murrell will be working one day a week starting next term. She will be continuing Mrs Dyer's work in student support.

Enjoy the long weekend. See you all Tuesday.

Mr. Cairns

LINDENOW PRIMARY SCHOOL 150 YEARS IN 2021

To commemorate this occasion it is hoped a publication highlighting the school history and the years since 1996 when LPS celebrated 125 years can be published. This will require input from everyone who has has/had a connection with Lindenow Primary School.

Families are asked to gather some stories, interesting anecdotes and memories from our past students. This could be in the form of a handwritten or typed piece, short or long...it doesn't matter, just let the words flow; photos also welcome. Having once again reverted to remote learning, this might be the ideal time for our students to ask some leading questions of their family members as to whether they attended this school and what they got up to. This could be your mum or dad, aunts and uncles, grandparents or neighbours, spread the word. This won't be applicable to all our students as not all of you have lived in the district for a long time but ask anyway...it will make for an interesting conversation.

All articles will be considered and must be sent to school as soon as possible. Please spread the word!

Articles can be delivered, posted or emailed to Lindenow PS at lindenow.ps@education.vic.gov.au.

If you have any questions please contact Judy or Heather at school. Thank you.
