Principal's Message Term 4, Week 7

It was wonderful to have Tricia Newgreen who is our Schoolwide Positive Behaviour coach visit this week. She was impressed when talking to students about the importance of the 3 Rs and the new 'blue ticket' system. Tricia and Mrs Jennion also spoke about new ways we can improve our growing school.

ALL THE BEST MRS HUNTER

Next Monday marks the last day for the wonderful Katie Hunter. She is finishing up in preparation for the delivery of her third child. We thank Katie for the vast amount of work she has put in to improve student learning this year and wish her and her family all the best with what will be a beautiful addition to great family.

GRADE 2 SLEEPOVER

It is fantastic to see how excited our Grade Two students are about their upcoming sleepover. Next Thursday they will venture out to Woodglen and complete a range of hands-on activities while also enjoying meals together. Miss Gray and Mrs Jennion have planned an exciting sleepover and I will venture out to also spend the night.

END OF YEAR CELEBRATION

As it has been this year, we have had to adjust and cancel some events. Unfortunately our end of year celebration is another event we are cancelling due to the current restrictions. It's not ideal, but we must adhere to the current guidelines. It is unlikely, but if restrictions are eased we will communicate any changes to families immediately.

CLOSING OUT 2020

It has been decided by school council that the last day of school for students this year will be *Wednesday 16th December*. Meaning we will use two student free days for the Thursday and Friday of that week. We have planned to keep the learning going for as long as we can considering the disruptions this year. Then staff will pack up, move rooms and plan for 2021 on the final two days (Thursday and Friday).

REPORTS

Even though it has been another disrupted semester, students will still receive their report on the last day of school, *Wednesday 16th December*. Staff will still be on site the final two days of term so if you have any questions in regards to your child's report, please contact their teacher at school on either of those days.

Stay focused!

LINDENOW PRIMARY SCHOOL 1120 CELEBRATING 150 YEARS IN 2021

To commemorate this occasion we are publishing a book highlighting the history of Lindenow PS with a collection of stories, interesting anecdotes and memories from past students, teachers, staff, school councillors, PFA and community members with a connection to LPS.

Now is the time to put pen to paper and send your piece of history to:

Lindenow PS, Post Office, Lindenow 3865 or email to lindenow.ps@education.vic.gov.au

All submissions to be received before 30th June 2021. All articles will be considered.

Please contact Heather Armit or Judy White at school by phone 5157 1340 or email as above if you have any questions.

Expression of interest is also being sought from our school community members for a small group (maybe about 4 people) to work together and organise an event to celebrate our 150 years in 2021.

If you are interested or have any suggestions please contact the school.

Thank you

SCHOOL WEBSITE

Newsletters are currently un-available on our school website while a new website design is being created.

We look forward to our new site being up and running soon.

LOST PROPERTY

The bin is overflowing again, winter coats, track pants, windcheaters, drink bottles etc.

Please ask children to look in the bin if they are missing clothing. Also, if you find clothing at home that doesn't belong to your family, please return it to school. All un-named items will be forwarded to charity.

LINDENOW KINDER FUNDRAISER

FUNDRAISER

WET & DRY BAG

Dear parents/guardians,

You're invited to participate in this year's 'Wet and Dry Bag' fundraiser drive, and in doing so you will be helping us become a more sustainable centre!!

When you place an order, you will not only earn 20% of each wet bag sale for our centre to buy new educational toys and equipment, but you will also help to reduce the use of disposable plastic bags.

Recommended by teachers

The reusable wet bag is a water-resistant bag which is perfect for children's spare clothes, and to carry any wet and dirty clothes home again. The reusable wet bags will help to keep your child's backpack nice and neat!

Furthermore the wet bags are multifunctional as they are also great as a kids swim bag, nappy wet bag and extremely handy when travelling or out and about. They also make the perfect eco-friendly gift.

The wet bags are highly recommended by educators across Australia as the reusable solution for wet and dirty clothes, as well for keeping children's clothes together, preventing them from getting lost.

It's time for a change!

Plastic has become one of the most harmful materials to our environment. It pollutes our oceans while harming wildlife, and its filling up landfills faster than imaginable.

Making small changes to our everyday habits and swapping single use items for reusable products, will have a huge positive impact to our planet!

By investing in a Kindergarten Wet & Dry Bag, you will not only be part of the fundraiser, you will also save single use plastic bags from landfill!

JUMP ROPE FOR HEART

On Friday the 13/11/2020 we had a very successful day and raised over \$400 for jump rope for heart. It was great to see so many people in red supporting the heart foundation. It was a very active day jumping for jump rope for heart during the 7 rotations we did during the morning.

Thank you everyone for participating and donating.
