## Principal's Message Term 3, Week 9

It is with great excitement that we welcome back our Prep-2 students to on-site learning. Even though it would have been great to get all students back, we are happy we can at least assist our junior students with their learning prior to the holiday break.

### NAPLAN RESULTS

All grade 3 and 5 students should have received their NAPLAN results via email this week. Please remember it is only a snapshot of your child's learning. It shouldn't alter yours or your child's opinion on their education. Feel free to discuss your child's results at next week's parent-teacher interviews.

### PROGRESS REPORTS

Your child's progress report was emailed to you today in preparation for parent-teacher interviews. Please take the chance to read the one page report together. It is a rewarding experience discussing your child's learning progress with them.

### PARENT-TEACHER INTERVIEWS

Due to restrictions, interviews will be completed via ZOOM or over the phone. Families were sent times and a link by their child's classroom teacher yesterday. Please let your child's teacher know if you would prefer a phone call instead of a ZOOM meeting or if you would prefer not to participate.

### DARGO BUS

There has been a minor change to the Dargo bus run. Dysons have taken over the contract and will complete the daily Dargo/Flaggy Creek route. Introduce yourself to the driver Danny who is an experienced operator. A massive thank you to Richard, David and Coopers buses for their years of providing a service on that important run.

### Reminders:

Non-essential visitors will not be allowed onsite.

- We ask parents not to be onsite, unless they have pre-booked an appointment via the office.
- If you enter our school grounds you will need to check in at the office and use the QR code system. Also, you must wear a face mask.
- It is recommended, not mandatory, students wear masks on school grounds and in the community.
- Authorised workers must present their permit if requesting their child/ren attend onsite learning.
- Our priority moving forward continues to be student attendance, student learning and student wellbeing.
- Please pay attention to any change of dates for upcoming camps, excursions and sporting events.

*Grade 3 student Riley Broadway excitedly announced last week his mum gave birth to a healthy baby boy, Isiah. Congratulations and all the best to Riley and his family!*

Enjoy the sunshine!

New families welcome!

### **Jump Rope for Heart kicks off this term!**

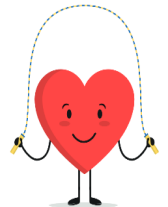

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 36 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$104 million for the Heart Foundation's lifesaving work.

It's important you [register your child online](https://www.jumprope.org.au/parents), so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started. [www.jumprope.org.au/parents](https://www.jumprope.org.au/parents)

Students will have the opportunity to be skipping at recess and lunch, during this time you can share their online fundraising page with family and friends to help raise money for this great cause. We will hold our school Jump Off Day on the last day of this term (17<sup>th</sup> of September) this will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program!  
Leah Livingstone
